Dear Mr Qureshi,

Mosaic Seeing is Believing visit

I am writing to record my grateful thanks to you for your recent financial support of the forthcoming Seeing is Believing visit in the South East.

As you know, Mosaic depends on the generosity of our supporters to be able to continue our important work. Your contribution is very generous and enormously appreciated. Through your donation, we will continue to be able to raise the aspirations of the young people in the communities we serve and to provide them with the support they require to enable them better to realise those aspirations.

We are really pleased to welcome you to the Associates. We have a number of exciting events planned over the coming months and look forward to welcoming you to these. I will, of course, ensure that you receive full details of these events.

Unless you would prefer otherwise, we would like to recognise donation via our soon-to-be-launched new website and keep you informed of Mosaic's work and upcoming events via our e-newsletter. Do please let me know if you would prefer not to be recognised on the website or to receive our e-newsletter.

Yours sincerely,

Jonathan Freeman
National Director
