Dear Sirs,

**Subject: May & Baker CC**

May & Baker Cricket Club would like to extend its' gratitude to the London College of Business Management and Information Technology for their generous donation to our club. We would also like to personally thank Mr Toaha Qureshi M.B.E for his recognition of the commitment May & Baker CC have to the different communities of East London and in particular the strong bonds forged with Mulana Sohail Bawa and the Khatme Nubuwwat Academy.

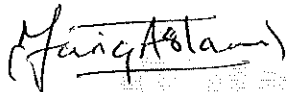

The help received will go a long way to securing the immediate future of a community based organisation that has been so threatened by rising prices and diminishing facilities. We can now rest assured that in 2011 we will indeed be able to achieve our goals for the season and provide inexpensive cricket in a safe environment to those who may not be able to afford to play otherwise.

We would also like to extend an offer of invite to attend one of our matches at your convenience and perhaps taker a closer look at what we hope to achieve in the future.

Again many thanks for your support.

Yours Sincerely,

PP

Dear Sohail,

**Subject: May & Baker CC**

We would like to extend our thanks to you for your continued support of May & Baker CC. With your help M&B CC have now created a large membership base and can be proud to be seen as a truly multi cultural cricket club. This season we have now also seen the re-emergence of our Sunday side and appear to be well set for future season.

We would also like to extend our gratitude for efforts in helping to find partners and sponsors for the upcoming season. As you know rising prices were set to threaten our existence but through your unrelenting efforts we now appear to have secured our immediate future and hope to build on this progress in future years.

Again please accept our sincerest appreciation for your efforts and let us hope for our continued success in the future.

Yours truly,
